Dear Mary,

Today I will tell you about my volunteer work.

The volunteer work has become popular in Vietnam. Many people have done the volunteer work and I have too. At my age, I can't donate blood so I often donate books, toys and clothes to street children and homeless people. I often do this work with my mother. Last Sunday, I donated books and clothes to a charity organization. I met the orphans there. They were so lovely. I played with them and they were so happy. Some people think that doing volunteer work is waste of time but in my opinion, it helps me relax after school and I feel very happy to bring happiness to them.

What do you think about volunteer work? Look forward to hearing from you.

Best regards,

Mai
