Last week the weather was different every day. On Monday it was rainy, but it wasn't cold. I was at the beach in the morning, but in the afternoon I was at home because it was rainy. Then it was sunny on Tuesday, but it wasn't warm. It was cloudy on Wednesday and Thursday. It was cold on Wednesday, but it was hot on Thursday. Then it was windy on Friday, but it wasn't cold. Today is Saturday and it's hot and sunny. It's not cloudy and it's not rainy and I want to go the beach again!

2 Look and write the answers.
