**Town Sandwich \$**

Lisa K., Centerville

I just love a good sandwich, don't you? This sandwich shop is near my office, and it's my favorite. It's small, but the sandwiches are really big. And they're cheap. There are ten kinds of bread, and it's always fresh. I love the chicken sandwich with lettuce and tomato, with potato salad on the side and a cup of coffee. They have great coffee! But there's one problem. From 12:00 to 2:00, it's very crowded, and there are usually no tables available. So, go early! Town Sandwich opens at 11:00 A.M.

**Breakfast 24/7 \$\$**

Hayden D., Bridgeton

This restaurant never closes! Breakfast foods are available in the morning, afternoon, evening, and all night long. And why not? Breakfast is great all day! For lunch, I often have their large fruit salad with apple, orange, and banana, and I sometimes order a three-egg omelet with green pepper, onion, and cheese for dinner. It's not expensive, and it's delicious. So, try Breakfast 24/7! Do you need another reason? This week, they are giving new customers a free bottle of orange juice with their meal.

**Only Vegetables**

Marcia V., Northport

At this restaurant, there isn't any fish, chicken, or meat on the menu. Just like the name of the restaurant, it's only vegetables. The chef is from Paris, France. He's wonderful. He makes lots of great vegetable dishes. I love the tomato salad with red, yellow, orange, and green tomatoes and the spicy red pepper soup. My wife's favorite is the rice salad with apples and lemon juice, and my daughter always gets the pasta with pea sauce. You make your own juice at the juice bar. They have all kinds of vegetables and fruits, and you choose the ingredients. I love carrot, celery, and apple juice. My family usually eats meat, but we don't need it every night. Tonight, we're eating only vegetables at Only Vegetables!
