OPPOSER

Debating language!

Can you link the opposing and proposing statements to the given scenarios?

I disagree completely with what the pro team have said about the comfort of jumpers!	Proposer Opposer	Dogs are mans' best friend
However, data has shown that dogs' brains release happy hormones when they see their loved ones!	Proposer Opposer	Reading is bad for your eyes
Excuse me, but reading has been linked to poor eyesight among young people and many of them must get glasses as a result!	Proposer Opposer	Climate change is not real
I fundamentally disagree! Research has suggested that carbon emissions are up 60%.	Proposer Opposer	An argument for school uniforms
