Which of the two people in the article would agree with the statements?

Jessica Nogueira Piers Wehner

The doctor says it's too late to help her now, if only she'd gone to see him earlier.

Jessica Nogueira Piers Wehner

Look, if I don't want to risk the side effects of conventional drugs, why should I have to?

Jessica Nogueira Piers Wehner

When I see proper clinical trials that prove the effectiveness of homeopathy, then I'll change my mind.

Jessica Nogueira Piers Wehner

The mind has incredibly strong healing powers.

Jessica Nogueira Piers Wehner

If it means we could stop paying all that money for drugs, then I'm for it.

Jessica Nogueira Piers Wehner

It worked. I don't know why. It doesn't seem possible, but I'm just happy that it worked.

Jessica Nogueira Piers Wehner

This is serious. You can keep taking the homeopathic treatment as well, if you want, but you've got to see a doctor.

Jessica Nogueira Piers Wehner

It three-quarters of professionals are against it, I'm against it.
