Reading

F Read the article and answer the questions.

Which *day* is your *favourite* day?

My name is Sally and my favourite day is Saturday. What I like most about this day is that I never have to wake up early.

My mum usually gets up and makes us a big breakfast. She always makes pancakes. I sometimes help her make them.

In the afternoon, I usually meet my friends in the park. We sometimes play basketball when the weather is good. On Saturday evenings, I always play board games with my family. My favourite game is Trivial Pursuit! Sometimes, my friend Jennifer comes over. She lives next door. We usually surf the Net or chat with friends online. Mum never makes me go to bed early on a Saturday. I go to bed at around 10:30 pm.

e.g. Which day is Sally's favourite?

► *Saturday*
