Count & Noncount Nouns

- Count nouns are nouns that we can count. They have singular and plural forms.
- Noncount nouns are nouns that we can't count. They only have singular forms.
- We can use some with both plural count nouns and noncount nouns.

Count		Noncount	
a song	**three** songs	a music	three musics
a dollar	**four** dollars	a money	four moneys
a sandwich	**some** sandwiches	a bread	**some** breads
a leaf	**some** leaves	a tea	**some** teas
an orange	**some** oranges	a juice	**some** juices
an onion	**some** onions	a soup	**some** soups

I eat **an orange**.
