Part 6

Read a story about John Croft. Then choose the correct phrase to complete each sentence.

My name is John Croft. For almost thirty years, I worked as a taxi driver for Downtown Taxi, the biggest cab company in Vancouver, Canada. I drove my cab five days a week from 3:00 in the afternoon until around 11:30 or 12:00 at night. I took a lot of businesspeople home after work. Vancouver is a big city, and there were traffic jams every afternoon. Traffic was always the worst from 4:30 until about 6:00, but it didn't bother me.

Most passengers were nice enough. I liked to show tourists our beautiful city. A lot of tourists from Asia visit Vancouver. In the evening, I took people out to restaurants, clubs, and the theater. It was interesting to see people dressed in their best clothes for parties. The most interesting customer I had was a man dressed as a bird!

My cab was always clean, and I always tried to be friendly. I always helped people with their bags. The trip to the airport was usually my highest fare. Most passengers tipped me 15% or 20%. Sometimes they just said, "Keep the change." My largest tip ever was \$100. I liked my job and made a comfortable living. I don't drive a taxi anymore—I'm retired. I have lots of free time, but sometimes I miss meeting new people.
