TWO YOUNG ENTREPRENEURS TO WATCH

Cory Nieves, or Mr Cory, is from the United States. He started his business when he was six years old because he was tired of getting the bus to school. He wanted to make some money to help his mum, Lisa, buy a car. First, Mr Cory sold hot chocolate in front of his home in New Jersey. He did well, and he began to sell other things too, like lemonade and cookies. Mr Cory and his mum tried a lot of different recipes for cookies. Then, one day they baked some perfect chocolate chip cookies. Now they bake a lot of different cookies and sell them on his website mrcoryscookies.com. You can also buy them from shops. The cookies are all natural, and Mr Cory and his mum still try the recipes at home before they sell them to customers. Mr Cory also works with organisations that help young people in the United States.

Bella Tipping is Australian. She got the idea for her website while she was on holiday with her family in the US, when she was 12 years old. Bella and her mum talked about their experience. Her mum said the vacation was great. When Bella didn't agree her mum was really surprised. Bella said a lot of things in the hotels and restaurants were for adults not children. The places didn't think about what children wanted or needed. So, Bella started her website called Kidzcationz, where children can post their reviews of hotels and restaurants. Now, when families are planning their holidays and looking for places to stay and eat, they can look at the Kidzcationz website first to see which places are best for children.
