

4 Collocation

A Verb + noun

Collocation is the common combination of particular words with each other, and particular **collocations** may be different in your language. In English, certain verbs **collocate with** certain nouns. You will need to learn many of these **collocations**.

In any school, the headteacher obviously has to **make an effort** to **set an example** to their staff and students, and that starts by **treating** everyone **with respect**. It is also their job to **take responsibility** for important decisions that the school makes. If things go well, the headteacher **gets the credit**; if they don't, he or she has to be prepared to **take the blame**.

Carrie had been **spreading a rumour** that Sean and Sophie were going to have a baby, although she told everyone else to **keep it a secret**. It was, therefore, quite a shock when Sean finally **broke the news** to everyone that they were going to get a cat. We all **roared with laughter** – everyone except Carrie.
