

**C. Alex is talking to a famous artist, Mr Rota. What does Mr Rota say? Read the conversation and choose the best answer. Write a letter (A-H) for each answer. (Reading and Writing Part 2)**

Alex So, Mr Rota, can I ask you a few questions?

Mr Rota 1 \_\_\_\_\_

Alex I read somewhere that an artist's first painting is very important. When did you do your first one?

Mr Rota 2 \_\_\_\_\_

Alex Do you remember what you drew?

Mr Rota 3 \_\_\_\_\_

Alex Sounds nice. Do you mind showing us one of the first paintings you drew? Perhaps that first one?

Mr Rota 4 \_\_\_\_\_

Alex This is going to be really interesting.

Mr Rota 5 \_\_\_\_\_

A I was very young. I think I was five or six.	F I don't agree. But I'm happy they like my work.
B We're not going to tell you a secret.	G Of course. What would you like to know?
C A castle with a king and queen in it.	H Why not? Let me go fetch it.
D No, I don't sell my paintings.	
E Well, it is for me. I hope you like it, too!	

**A. Michael is talking to his teacher, Mr Brown. What does Mr Brown say? Read the conversation and choose the best answer. Write a letter (A-H) for each answer. You do not need to use all the letters. (Reading and Writing Part 2)**

Michael I loved it here, Mr Brown.  
Can we come again next week?

Mr Brown 1 \_\_\_\_\_

Michael OK. I have some questions for you. The Earth is bigger than the sun, isn't it?

Mr Brown 2 \_\_\_\_\_

Michael Really? I didn't know that. The sun looks so small in the sky, doesn't it?

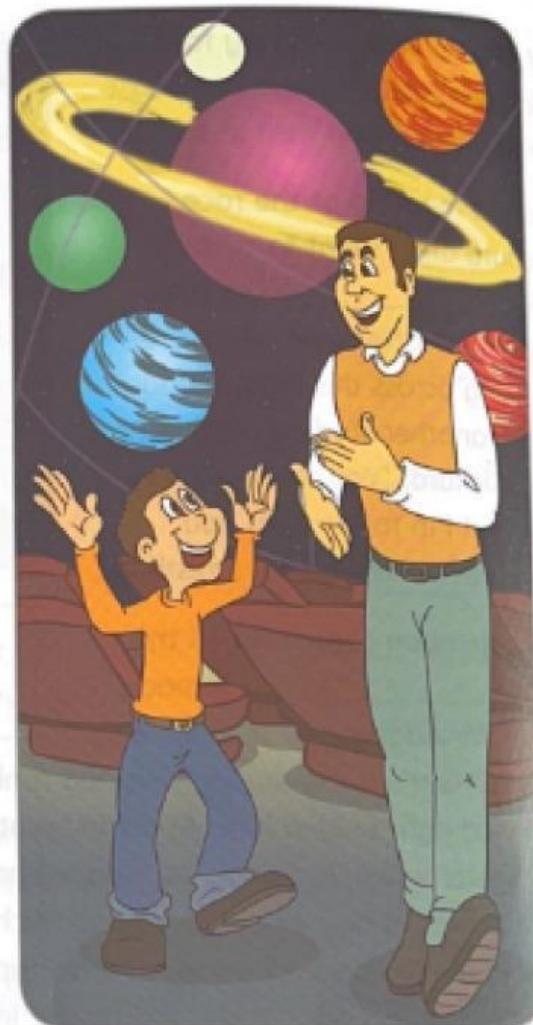

Mr Brown 3 \_\_\_\_\_

Michael And astronauts can't visit the sun, can they?

Mr Brown 4 \_\_\_\_\_

Michael Oh, I see. Are we going to watch a film about the sun and the planets, like you said?

Mr Brown 5 \_\_\_\_\_

- A Of course not. The Earth is one of the smallest planets.
- B Why not? I'd love to visit it one day.
- C No, it's very far and very hot so it's dangerous for people to go there.
- D Well, you can see space in the sky at night.
- E I'm not sure about that but I'm happy you liked it.
- F I never liked that job.
- G Sure. We've got an interesting one at school. I think everyone will like it.
- H Well, it does, but that's because it's very far.
