WRITING TEST

School: School Center Francisco Gavidia.
Level: intermediate (9th Grade-Teenagers)

Student's Name:

Score :

Date:

Objective: 90% Intermediate students will develop and apply creative writing skills using modal verbs. Students should employ their imagination to create a narrative, essay, or dialogue in which modal verbs play a key role in sentence construction and in the expression of possibilities, obligations, permissions, permissions, skills, and advice. At the end of the assignment, students will have demonstrated their ability to integrate modal verbs effectively into their writing, thus improving both their grammar and their creativity.

Instructions:

- **Based on what you see in the images, you must create a large story, you must include: the time, names, the characters, the problem, solution and a teaching of the story you are going to create. You must be creative and use your imagination.**
- **Also, you must include modal verbs.**
- **Then, you have to answer 5 open-ended questions.**
