I live on a farm with my family. There are many animals on the farm.
George is the horse. He is big and strong.
There is a pony too. He is small. His name is Tim.

There are lots of cows, but I like one. Her name is Maggie.
Maggie gives me milk every day. Sally is a sheep. She lives with her family.

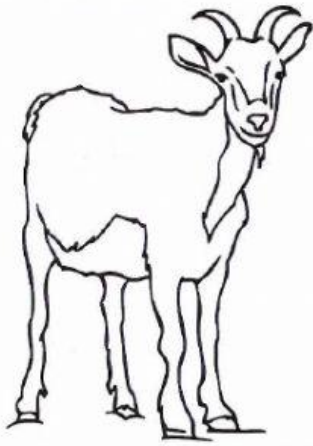

Fred is a rooster. He wakes me up every morning.
Jenny is a hen. She gives me eggs every day.
Then I have William the goat. William eats everything!
