

HOW TO BEHAVE IN ONLINE CLASSES

BY TEACHER PAUL PARKER

Proper etiquette is nothing new for most people. You grew up with your parents constantly telling you to mind your manners. But in a digital age where the unwritten online "rules" are constantly changing, proper etiquette may seem a bit mystifying.

As you might have guessed, etiquette is essentially rules and norms for interacting with others on the internet in a considerate, respectful way. We enlisted several experts to set some guidelines to make sure your online manners are up to par.

"Online learning is rapidly becoming one of the most cost-effective ways to educate the world's rapidly expanding workforce."

UPCOMING ACTIVITIES

BY TEACHER PAUL PARKER

Extracurricular activities also provide fun and enjoyment, which can help keep kids motivated about school when their school work becomes challenging.

Extracurricular activities offer kids a chance to explore new interests that are not part of the regular school curriculum.

Extracurricular activities help children gain new skills, learn to socialize, gain leadership ability and learn more about their own interests.
