Susie's blog of interesting places around the world!

**Do you think it's cold in your town in the winter?
 Read about a very, very cold town.**

Oymyakon is in northern Russia and in the winter it's -50° Celsius! In this part of the world, it's always dark in the winter – in December, the day is just three hours long. But the summer is very different. It's nice and light and the day is 21 hours long! How do they know when to go to bed?

Oymyakon isn't a big place. There are 500 people in the town and they live in small houses. There's a school and a store. Some people are teachers, and there are engineers and builders, too, but life is very difficult for people in the winter. They don't go out a lot because it's very cold! But guess what? Some tourists go to Oymyakon – yes! They want to know about life in this very cold place.
