

Name: _____

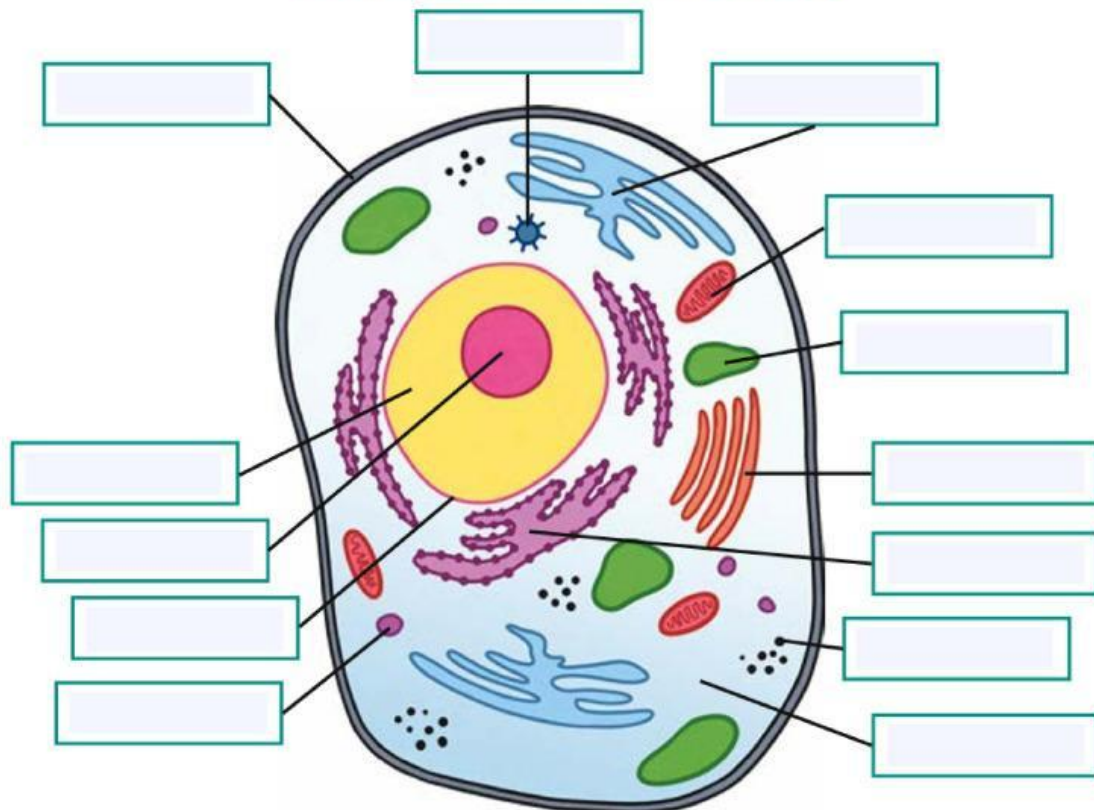

No. ____ M.1/1

Label the parts of an Animal and Plant Cell.

Choose the answers below:

cell membrane - mitochondrion - centrosome - nucleus - golgi apparatus - nucleolus - lysosome
- cytoplasm - nuclear membrane - smooth endoplasmic reticulum - rough endoplasmic
reticulum - vacuole - ribosomes

Animal Cell Labeling

Choose the answers below:

chloroplast - vacuole - plasma membrane - ribosomes - nucleus - mitochondrion - cell wall -
nucleolus - nuclear membrane - golgi apparatus - cytoplasm - cytoskeleton - small
membranous vesicles - rough endoplasmic reticulum - smooth endoplasmic reticulum

Plant Cell Labeling
