Task 2: Sentence Completion

Read this conversation between Giovanni and his new colleague, Andrea. Choose the correct words to complete the conversation.

Andrea:

So, this is the 1 **supply** / **equipment** room. It's got everything you need, I think. Each 2 **laptop** / **shelf** has a label that tells you what's on it. This one's for pens and pencils.

Giovanni:

Oh, you have a lot of supplies here. Can I take some stuff now? I need some 3 **scanners** / **stationery**. Printing paper and envelopes would be useful, for a start.

Andrea:

You'll find that you already have some paper and envelopes in your desk, but I think you should take some 4 **tape** / **labels** because you might want to stick notices or pictures on your walls.

Giovanni:

What else should I take? Are there 5 **scissors** / **paper clips** in my office desk? I already have quite a few pieces of paper that need organizing.

Andrea:

Good idea. You should have a stapler in your desk. But you might want to take a box of 6 **staples** / **printers** to fill it.

Giovanni:

Oh, OK. Those are the kind of things that always run out just when you need them. I think that's all I need for now anyway. Oh, what's that over there? It looks like a 7 **safe** / **copy machine**.

Andrea:

Yes, it is. That's where we keep all the valuables and confidential files. You won't be able to open it though. Only Mr. Henderson knows the combination.

Task 3: Multiple Choice Questions (Choose the correct word to complete each sentence.)

1. The _____ scanned the items quickly at the checkout.
2. She looked at the _____ to find the price of the shirt.
3. They offered a _____ for any damaged goods.
4. Many _____ have special promotions during the holiday season.
5. The _____ was filled with the latest fashion trends.
6. She used a _____ to get a discount on her purchase.
7. The store is part of a larger _____ of retail stores.
8. He received several _____ for his birthday, which he can use to buy what he likes.
9. The _____ of the product indicates it is eco-friendly.
10. They put up a _____ to separate the two rooms.

- a) cabinet b) scanner c) safe d) scissors
