

Read about Tim's family.

Hello! I'm Tim and this is our family routine.

We have very different activities.

My father, Sam, gets up very early and makes breakfast. Then he goes to work. He has lunch in his office and returns home at 7 pm.

My mother, Alice, works in a hospital at night. She comes home very early and she has breakfast with us. She sleeps in the morning and has lunch at home. She doesn't have dinner with my sister, my dad and me.

My sister, Sally, and I go to school by bus. I go to primary school and she goes to secondary school. After class, we don't do the same, I play the piano and she plays football with her friends.

We have very different days, but we are very happy together!
