My name is Emily, and I love _____ (spend) my free time doing various activities. On weekends, I usually prefer _____ (stay) at home and _____ (watch) movies. However, last Saturday, I decided _____ (try) something different. I wanted _____ (learn) how to bake a cake.

First, I started by _____ (search) for a simple recipe online. After _____ (find) one that looked easy, I went to the store to buy the ingredients. While _____ (shop), I ran into my friend Sarah, who suggested _____ (join) me in baking. She enjoys _____ (bake) as much as I do, so I agreed _____ (let) her help.

When we got back to my place, we began _____ (mix) the ingredients together. It was fun _____ (see) how everything came together. We took turns _____ (measure) and _____ (stir) the ingredients. After _____ (put) the cake in the oven, we waited for it to bake. While _____ (wait), we talked about our plans for the summer. Sarah is planning _____ (travel) to Europe, and I am considering _____ (take) a painting class.

Finally, the cake was ready. We enjoyed _____ (eat) it together, and I must say, it was delicious. I realized that trying new things can be very rewarding, and I look forward to _____ (bake) more treats in the future.
