

In a Venn diagram, the outer spaces show how the two things are different.

We can compare and contrast lots of different things.

We can even compare characters in the same story! Think about Cinderella and one of her stepsisters. Can you compare how they are the same, and contrast how they are different?

- kind
- hard-working
- wins at the end

- both are girls
- both live in the same house
- both go to an event

- mean
- lazy
- loses at the end
