V. Read the passage and tick True or False.

Gateshead's new Merriweather Mall is opening this September. With an area of 320,000 square metres, the Merriweather Mall will be the biggest mall in the south west. It's located close to the motorway, has its own bus station and 2,000 car parking spaces, so it is convenient for everyone. The mall has five areas, all under cover. The largest, Main Street, is a shopping area on three floors. Here, you'll find all the major chain stores and department stores. You can buy fashion items and all the famous brand names.

Situated on two levels, the market square is where you can find traditional market stalls. On the lower floor, there are food stalls, including a butcher's, baker's, a fishmonger's, greengrocer's and delicatessen. On the upper floor, you will find stalls selling hardware and haberdashery.
