

Lyrics:

Wake up, you're daydreaming

Are you fine tonight

With this \_\_\_\_\_ (lewho) feeling

I'm out of \_\_\_\_\_ (hgtis), I'm out of mind

Would you help me out when you are around?

\_\_\_\_\_ (ssrtsele)

\_\_\_\_\_ (dnbtoaruou)

Feeling \_\_\_\_\_ (ssgleel)

Got you lost and found

Stop \_\_\_\_\_ (gnmniig) around

Let me figure it out

How to bring you no \_\_\_\_\_ (ubtod)

To the places you want

1, 2, 3, 4, 5 counting down right now

I don't wanna lie down tonight

Now wake up, now wake up,

Okay now

(paraparapa)

Right now I'm lying on the doormat

Telling to myself, "What a \_\_\_\_\_ (naciim)

Why you gotta roll on the floor with your \_\_\_\_\_ (ckrusak)?"

Goddamn, you're so \_\_\_\_\_ (aniscmie)

Lie down, I'm done  
Fucked up so hard  
Who's up? No one  
Someone won't help me out  
I'm drunk and loud  
Not feeling sober but I- but I- I-

1, 2, 3, 4, 5 counting down right now  
I don't wanna lie down  
Should I run and touchdown?  
Should I try and find out?  
Should I say it out loud?  
Man, I don't know somehow, yeah

1, 2, 3, 4, 5 counting down right now  
I don't wanna lie down tonight  
Now wake up, now wake up, (okay now)  
Okay now

(paraparapa, oh~ paraparapa)  
(paraparapa, oh~ paraparapa)  
Now wake up, now wake up, now wake up
