I **(1)** know my brother because he's so much older than me. But I think he's actually quite a **(2)** person to get to know anyway. People think he isn't **(3)** but really he's quite shy and doesn't make friends **(4)** He always thinks he's done something **(5)** to upset people but the real problem is that he's uncomfortable in social situations. I used to worry that he was **(6)** because he spent so much time on his own. But actually he enjoys spending time on his own. He's the kindest person in the world and he'd do anything for you.
