| The Pernely event coordinator provided excellent support in putting this annual event together. The food was delicious – the guests raved about the roast chicken! The dining room got quite noisy as it filled up. We will plan to use Pernely again next year, though we will definitely request a different room. |      |      |                                 |           |     |

| <p>Dear Staff,</p> <p>I would like to draw your attention to several new procedures regarding business trip expense reports. - [1] -. Beginning next month, business-related dining receipts must be accompanied by a listing of each dinner attendee. Also, please make sure that you do not include receipts for any non-work-related items or activities with your report. - [2] - Finally, note that our accounting software will now automatically calculate for you the total to be reimbursed. You need only to upload images of your receipts for the software to do this.</p> <p>I will be happy to respond to your questions. - [3] -. However, I will be flying to Tokyo this Friday to meet clients, so I will not be checking e-mail that day. - [4] -</p> <p>Sincerely,</p> <p>Selene Hong</p> <p>Assistant Director, Human Resources Department</p> <p>Datoric Systems</p> |             |

| <p>Dear Pedro,</p> <p>Per your request, below is the text for the labels for the new "Think Green Paper" line. The labels will be placed on the edge of the packaged reams of paper, so their size should not exceed 3 cm by 8 cm. The design should include the tree graphic we discussed yesterday. The text should be read as follows:</p> <ul style="list-style-type: none"> <li>• Think Green Paper</li> <li>• 100% from recycled products</li> <li>• 90 g/m<sup>2</sup> bond</li> <li>• Bright white</li> </ul> <p>Please create a true-to-size and true-to-color sample version of the label by Wednesday, 21 April, and send it to the attention of my assistant, Dora Kensington. I will be out of the office on Wednesday, but I will review the sample and approve it as soon as I am back in the office on Thursday morning.</p> <p>Emma</p> |                |

| <p>Dear Ms. Gonzalez,</p> <p>Thank you for your generosity in donating to the Danton Public Library once again last year. Because of donations from you and others, we were able to purchase twenty new computers for our patrons' use. - [1] -. We also acquired a new collection of nonfiction books for our children's room.</p> <p>At this time, I would like to tell you about another project we hope to complete with additional funds: converting many of our old, worn-out books into electronic files to help preserve their content for future use. This is a costly endeavor. - [2] -. If you are able to contribute even a small amount toward this new goal, it would be greatly appreciated.</p> <p>If you are unable to make another monetary donation, please consider helping us complete some small renovation projects that we have scheduled for this year. - [3] -. A list of those projects is attached. We hope you will find one that interests you. - [4] -. We look forward to working alongside enthusiastic and engaged community members like yourself to ensure the library's future success.</p> <p>Sincerely,<br/>Peter Amison, Community Outreach Coordinator<br/>Danton Public Library</p> |                                   |
