A. Fifteen ☐ B. Ninety ☐  
C. Twenty-eight ☐ D. A hundred and ninety ☐

Read this text carefully to answer question 5 to 6!

"Drinking water is very important for our health. Water helps to keep our bodies hydrated, which is necessary for all our bodily functions. It helps to regulate body temperature, transport nutrients, and remove waste. Without enough water, we can become dehydrated, which can make us feel tired and dizzy. Therefore, it is important to drink enough water every day."

5. What is one of the functions of water mentioned in the text?

6. What can happen if we do not drink enough water?

## PRE-TEST English

Choose the correct answer for each questions in the following below!  
Listen to the instruction carefully from your teacher!

**Read this text carefully to answer question 7 to 8!**

"Once upon a time, in a small village, there was a kind girl named Lily. One day, Lily found a hurt bird in the forest. She took the bird home and helped it get better. She gave it food, water, and made a small nest for it. After a few days, the bird was strong again and flew away. Whenever Lily walked in the forest, the bird would come and sing a beautiful song for her."

7. What did Lily do with the hurt bird?

8. How did the bird thank Lily?

**Listen to the conversation and write the answer based on the audio you hear!**

### **Ben's grandmother's new house**

1. Number of bedrooms :

2. Address :

3. Name of village :

4. Favorite room :

5. House is near to:
