Test 5

Part 4 – 5 questions –

Read the text. Choose the right words and write them on the lines.

Animals and food

Example

When people are hungry, they eat something. They can eat some fruit or a sandwich, but people often cook the food that they eat. They like to eat chicken and chips or pasta. But what do animals eat? Well, animals don't eat their food. They eat food as they find it. Some animals eat meat but many animals eat fruit and plants. Everyone knows that monkeys love bananas. They love mangoes and coconuts, too. Other animals that eat fruit and plants are elephants. They are very big animals but they never eat meat.

Birds love to eat fruit, too. They like fruit because it is sweet. They eat all kinds of fruits – apples, oranges and lemons!
