HAL MENARIK YANG AKU PELAJARI :

An illustration of a sustainable city on a globe. The globe is green and blue, representing land and water. On the land, there are three stylized buildings and a row of five wind turbines. In the foreground, three people are shown: one on the left in a blue shirt holding a recycling bin, one in the center in an orange shirt holding a plant, and one on the right in a yellow shirt holding a recycling bin. The background is a light blue sky with a white cloud. The entire illustration is set against a background of horizontal dotted lines.
