

Task 1. Match the people with the basic idea of their opinion on adopting animals from shelters.

			
			

- believes that adoption is a great and noble idea. Had an animal before leaving the home country.
- Is already a master of an animal which she / he hadn't been planning on getting before.
- has a friend who's adopted a cat and he / she would like to adopt a particular species of a pet himself / herself.
- would like to adopt a dog if they had more suitable living facilities.
- is not an animal fan. Believes that it requires a lot of time and effort to take care of animals.
- thinks that shelters are a good place to get a dog from.
- would like to adopt an animal if he / she was living a more settled lifestyle.
- would like to adopt a particular kind of pet just for its beauty.

Task 2. Watch the video again and write the missing words.

1. "You know I have a dog named Evan. He just got like a dog. It's very mangy and you know has like rough _____ and stuff but it's nice."
2. "I think _____ animals from the _____ is a very very good idea. You can sort of help an animal that may or may not have had a _____ life."
3. "And then I heard the idea that their houses actually stink of _____ everything."
4. "It was an _____ cat that someone had and then the moved and they just put a cat on the street. So, it started with me just _____ the cat outside"
5. "I have _____ 2 dogs in my life. They were not from _____. They were _____ dogs and they were the best pets I've had."

Task 3. Task 3a. Look at these aspects of animal rights.

Task 3b. Make notes: Do you agree or disagree with these aspects? (look at the ideas on the slide to help you).

PREPARE FOR THE DEBATES.
