

Cleaning around the school

The classroom is very dirty. There is a lot of rubbish. There is rubbish on the floor. The children are picking up the rubbish and putting it in the bin. The girl is cleaning the board. One boy is sweeping the floor. One boy is mopping the floor. The children rearranged the tables. The girls are tidying the bags. The classroom is going to be clean and tidy.

The children have their turn to do the cleaning, but they do it together every day. Two girls rearrange the teacher's table at the back. They also wipe the tables using wet wipes. One boy can be seen emptying the rubbish bin into the bigger rubbish bin outside the classroom.

The head teacher is walking around the school. He is pointing at the rubbish. "Stop throwing your rubbish on the floor. Put it in the bin." The children are not playing. They are not laughing. They are picking up rubbish. The teachers give clothes and brushes to the children.

The cleaners, teachers and the children are working together to keep the classroom and the school clean. They tried their best to keep their school environment clean and tidy. It is very good to have a clean and tidy environment for studying.
