The dog and his bone.

A dog is (1)_____ down the street, when he sees a (2)_____in a trash can.

"A bone! Yippee! How lucky for me!" he thinks. He grabs the (3) _____, and happily runs (4)_____.

He runs past the (5) _____and the school. He runs through the park. He runs onto a bridge.

On the (6)_____, the dog looks down into the deep, still (7)_____ below. There, he sees another (3) _____ with a bone in its mouth.

"Who is that dog?" he wonders. *"What is he (8) _____ down there?"*

The dog stares at the other dog. The other dog stares back.

"Where (9) _____ that dog get such a BIG bone?" the dog wonders. *"Why is his bone (10) _____ than mine?"*

The dog growls at the other dog. The other dog growls too.

"I (11) _____ that big bone!" he thinks.

The greedy dog decides to steal the other dog's bone. He leaps off the (12) _____ and into the water. *Splash!*

But as soon as he hits the water, the other dog disappears. There was (13) _____ any other dog. It was just his own (14)_____!

The water is very (15)_____ and the dog is (16)_____.

"Woof woof woof! Help!" he barks.

And when he (17)_____, his bone drops from his (18)_____ and sinks to the (19)_____ of the water.

The dog swims to shore. He is (20)_____ and cold, and now he has no bone at all.
