Contractions

A **contraction** is a word made by putting two words together. When words are joined in a contraction, an apostrophe shows where a letter or letters have been left out.

- Some contractions combine a pronoun and a verb: *I + am = I'm; he + is = he's; we + are = we're; you + will = you'll; we + will = we'll; they + are = they're.*
- Some contractions combine a verb and *not*: *can + not = can't; is + not = isn't; do + not = don't; will + not = won't; are + not = aren't.*

Contractions They're swimming in the lake, but I can't see them.
