Home About CU Programmes Contact us

City University is based in the heart of the capital, close to the historic City of London. We run a range of undergraduate and postgraduate courses as well as eight-week summer courses. We welcome applicants whose first language is not English, but you will need a good level of both spoken and written English.

The following classes are offered on our summer courses:

- British Art and Architecture
- Creative Writing in London
- Live Theatre
- Museums and Galleries
- Shakespeare's London

We are able to offer a limited number of scholarships to students who demonstrate a special interest in any of the class topics. Please send a letter of application to the Admissions Tutor at the address given.

Decide which of the summer course classes you would like to join, and write a letter of application for a scholarship. Include information to convince the Admissions Tutor that you are an ideal candidate for the scholarship. Write between 100 and 150 words. Make sure you use appropriate language from 1–4.
