

## Building Block 1

### Final written exam

Read the text about Annie.

My name is Annie and this is what I normally do. I love to walk in the mountains. During the week I wake up early and go for a small walk in the mountains. I usually go with my father and brother. We like to get some fresh air before we start our day. We live in the country far away from the city. We often walk for about one hour and a half, and then return home. After our walk I go to school at 9 am. My father goes to work. He works at a veterinary clinic. He is a vet and loves to help animals. We have 3 dogs and 2 cats.
