

This is a speaking exercise. You need to click on each gap and say aloud the information **in red**.

**** For this exercise you have to work in Chrome  and you also need a PC or Lap top ****

Lety: Were you at the latest concert of The Rollings Stones?

1 **Mario:** No, **I wasn't**. I had a lot of homework that day.

Lety: Oh, it's a pity! It was outstanding.

Elisa: Take a look at my last vacation pictures.

2 **Alan:** **Where were you in that photo?**

Elisa: I was at "El Carrizalillo", the best beach in Puerto Escondido.

Alan: It's a lovely place!

Omar: Hello Mark!

3 **Mark:** Hi Omar! I didn't see you in History class yesterday. **Did you have a problem?**

Omar: Yes, my brother had a car crashed, but nothing serious.

Yaheli: What's new in the University Gazette?

4 **Josh:** Last Friday there was a dancing contest to celebrate St. Valentine.

Yaheli: Oh, **I didn't know**. I would have liked to be there, I love dancing.

Randall: Hey Peter, how was the Math test?

5 **Peter:** **It wasn't difficult** at all, you know I'm good at mathematical equations.

Randall: Sure, you're the best in class.

Deissy: How was the movie?

6 **Fiona:** It was great, but **there were some people** making noise in the room.

Deissy: Oh, that's irritating.
