The American Pronunciation training

Identify the color of the words (Use lowercase letters)

I decided to **check** out a new **beach**. I packed my favorite **chocolate** and a **sandwich**. As I walked, I saw a **chair** by the **kitchen** of a beach house and a **church** nearby. I **pitched** my umbrella, caught some sun, and **watched** a **marching** band practice. A friendly **chimpanzee** at the zoo **chewed** on an apple, which made me smile. It was a fantastic day.
