The American Pronunciation training

Identify the color of the words (Use lowercase letters)

Last Saturday was a mix of **jam** and **cham**. I heard a **joke** that made me **choke** with laughter. My friend Jill wanted to **chill** by the **edge** of the park, but I had to **etch** my name on the **bridge** we found. I brought a jar of homemade **juice**, and we had to choose between apple and grape. At the end of the day, we felt like the **char** of a perfect summer evening.
