

Bran Castle Adventure

1. Find the plaque that details the year Bran Castle was first mentioned in historical documents. Take a photo of it.
2. Locate the statue of Vlad the Impaler within the castle. Write down a fact about him from the plaque nearby.
3. Explore the Music Room and listen to an audio guide or find a staff member to tell you about an interesting artifact in this room. Note down what you learn.
4. Find Queen Marie's bedroom and describe one item you see in this room that tells you something about her personality or interests.
5. In the courtyard, locate the secret well. What legend is associated with this well? Write it down.
6. Discover the entrance to one of the hidden passageways in the castle. Where does it lead, according to legend?
7. In the Chapel, find and describe the stained glass windows. What story do they tell?
8. Locate the room that is said to be haunted by former prisoners. What do you feel or notice when you are in this room?
