The following text is part of a school newsletter article. Complete each section in the most appropriate way. Write the letter of the best option in the box.

CB Section C9

Do you ever get fed up with tripping over bits of wire and old drinks cans, and bumping into joggers while you are trying to enjoy playing a game of basketball? Well, I've got good news for you! The council has offered us some money for a new recreation area. It's going to be properly surfaced and provided with benches and a shelter.

- A Nevertheless, joggers will probably object to the idea.
- B There is no doubt that these improvements will benefit everyone.
- C Moreover, we will have to raise some of the funds ourselves.

The new area will be open to anyone who wants to use it.

- D Consequently, we can play safely without scrambling over weeds or broken glass.
- E On the other hand, crying babies in their pushchairs will no longer be in the way.
- F Undoubtedly, it will be extremely popular, especially with teenagers.

I welcome the decision to improve the recreation area in the local park rather than the Old People's Centre.

- G In particular, I am delighted that, for once, young people have been the main consideration.
- H So unfortunately the old people will have to wait quite a long time for better facilities.
- I Moreover, teenagers will take good care of their new facility.
