## **PART B: READING (4pts)**

**Read the following text and choose the correct answer to each of the questions from 16 to 20.**

My name's Karl. I'm 17 years old. My home is in Manchester, in England. However, I'm not from England – I'm from Ireland. This is a photo of me, my parents and my sisters on a vacation in Dublin. My parents are doctors in St. Mary's Hospital. They're very busy. My sisters are Ruth and Sorcha. Ruth is 15 years old. We're at the same school, but we aren't in the same class. Sorcha isn't at our school. She's 18 years old. She's at university in London.

16. Where is Karl from?

- A. Manchester                                      B. London                                      C. England                                      D. Ireland

17. Where does his family live?

- A. London                                      B. Dublin                                      C. Manchester                                      D. Ireland

18. How many sisters does Karl have?

- A. one                                      B. two                                      C. three                                      D. four

19. How old is Ruth?

- A. seventeen                      B. fourteen                      C. fifteen                      D. eighteen

20. Who study in the same school?

- A. Karl and Ruth                      B. Ruth and Sorcha  
C. Karl and Sorcha                      D. Karl, Ruth and Sorcha

**Read the following text and decide if each of the sentences from 21 to 25 is True (T) or False (F).**

There's a secondary school near to Emma Wallace's home in Norwich, but Emma doesn't go to school. Emma's classroom is the dining room at home. There isn't a blackboard or a whiteboard in the dining room, but there is a table. There aren't any shelves, but there are some books, and there's a kitchen too. Are there any other students? No, there aren't. Is there a teacher? Yes, there is. Emma's dad!

21. There isn't a secondary school near to Emma.
