1. Read these two diary extracts and choose the correct answer.

Dear Diary,

I've been working all day long and I feel exhausted. I've been helping Dad with his catering job. It's really nice to be more responsible for yourself, but it isn't as easy as I thought. There are advantages, of course. I passed my driving test yesterday and now I can ask Dad to give me the car on Saturday evening. I know he'll be surprised, but he won't say no.

John

Dear Diary,

Tonight I'm celebrating my 13th birthday. My friends are coming to the party. I'm sure we'll have fun. I've got my clothes ready and this morning I got up late so I'll be fresh tonight. I'm going to ask Dad if he'll let me wear my high-heeled shoes, but I'm sure he won't. My grandma has given me a pair of earrings. The only problem is that from now on I've got to help more at home and I hate chores.
