

Name : _____

Class : _____

Science Summative Exam of Chapter 1

Science is

Branches of science are

Technology is

Benefits of Science and Technology are

Limitation of Science and Technology

Misused of Science and Technology are

Science Laboratory Apparatus

Look at the pictures and write the name of the equipment !

conical flask

test tubes

volumetric pipette

goggles

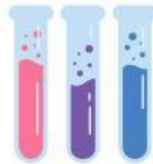

bunsen burner

round-bottomed flask

microscope

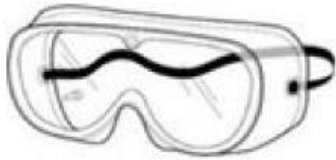

evaporating dish

measuring cylinder

Laboratory Safety rules

- Match the lab rules.

Do not smell chemicals.

Never taste a chemical unless you are instructed by your teacher to do so.

Always wear safety goggles

Listen and follow all directions.

Wash your hands after science class.

Never run or push someone else in the lab.

Keep your work area clean.

A vibrant collage of science-related illustrations serves as the background. At the top left is a calculator. To its right are gears and a pencil. Below the calculator is a beaker with blue liquid. In the bottom left, a laptop displays a graph. The bottom center features a flask with blue liquid, an hourglass with yellow sand, and a magnifying glass. On the right, there's a microscope and a test tube with green liquid. The overall theme is scientific inquiry and learning.

The attitudes and skills involved in science

The positive attitudes

A simple green circular icon with a black outline of a smiling face, representing positive attitudes.

The skills in Science (with explanation)

 **LIVEWORKSHEETS**

The skills in Science (with explanation)

HAZARDOUS Symbols

What is this symbol mean?
