

My Home

This is my home. My home is not big. It has two floors and a black roof.

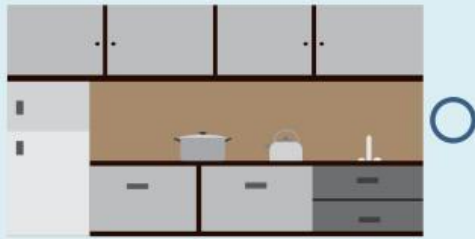

On the bottom floor, there are three rooms, namely living room, kitchen and bathroom. In the living room, there is a long red sofa with three pillows on it. There is a tall lamp beside the table, a clock, and a large picture under the clock. Next to the living room is the kitchen. In the kitchen, there are many cupboards, refrigerator, sink and stove. Next to the kitchen, there is a bathroom. In the bathroom, there is a large bathtub. The bathtub has a shower curtain. There is also a small toilet and sink with a mirror above it.

On the top floor, there are two rooms. The room on the left is my bedroom. My bedroom has a large bed. My bed is between drawers and my dressing table. On the small table, there is a lamp. Next to my dressing table, there is my large wardrobe. Next to my bedroom, there is a study room. In the study room, there is a red sofa, a desk and a bookshelf with some books in it. On my desk, there are some papers and a computer. There is also a clock on the wall.

In front of my home, there are two big green trees. There is also my car next to my home. I feel very comfortable in my home because this is my “home sweet home”.
