Part IV: Reading 10 pts

Instructions: Read the following passage carefully. After reading, write (T) true or (F) false next to the items based on the passage.

Passage:

Maria works as a sales representative at an online retail company. Lately, she has been focusing on increasing sales through social media. She has been using various platforms to promote new products and attract more customers.

By the end of this month, Maria will have been working at the company for one year. Her manager is pleased with her progress and believes that Maria will have been improving the company's online presence significantly.

Before joining this company, Maria had been studying marketing at a local college. She had been planning to pursue a career in digital marketing, which made her excited to start her job. Her studies had been preparing her well for the challenges she faces at work.

Now, Maria has been attending webinars to learn more about social media strategies. She hopes that by the end of the year, she will have been implementing these new strategies successfully.

True or False Questions:

1. Maria has been focusing on increasing sales through online ads.
2. Maria has been using social media to promote new products.
3. By the end of this month, Maria will have been working at the company for one year.
