.....LIFE IN BRITAIN.....

Britain has (Example: *some*) customs which are different from other countries, for example, did you know that in Britain most people have 33 milk delivered 34 their homes early every morning. 35 night they put their 36 milk bottles outside 37 doors and in the morning the milkman takes the empty milk bottles away and leaves full ones in their place.

You 38 buy your milk in the supermarket or local shop, if you prefer, but a lot of people 39 like to have it delivered. The only problem is that 40 little birds drink some of the milk if you don't cover the bottles or get up very early.
