

# Apologizing

(By : Siskha Nurohmah, S.Pd.)

**WRITE DIALOGUES BASED ON THE SITUATIONS BELOW. SEE THE EXAMPLE !**

Example

Situation : You forgot to do your homework. You want say sorry to your teacher.

Teacher : Students, please get out your homework and submit it to me.

Ben : I'm really sorry, Sir. I forgot to do the homework.

Teacher : That's okay, but please bring it tomorrow.

You make your friend wait you for an hour in the park. You want to say sorry because your bike has a flat tire.

Your friend invited you to his birthday party. You couldn't come because you had an English Speech Contest.

At school canteen, you are walking in hurry and spill tomato sauce on your friend's uniform.

You are riding your bike too fast. Then you crash into your neighbor's fence.

You are late in submitting your school assignment to your teacher. Create a short dialogue between you and your teacher where you apologize for the delay.

You accidentally bump into your friend in the school hallway, causing their books to fall. Create a short dialogue where you apologize and offer to help them.

A classmate asked for your help with an assignment, but you ignored them. Create a short dialogue where you apologize for not helping and offer to assist them now.

You accidentally break a school rule, like being caught with your phone during class.

GOOD LUCK!
