Watching Football Match

Let me tell you about my unforgettable experience. When I was a high school student, I went to the stadium with my friends to see a football match. The match was a derby. The tension was high. Both teams were longtime rivals. My father told me not to go to the stadium. However, I didn't obey my father. I went there by riding a motorcycle. When I entered the stadium, the flare was lighted, people roared and drum was beaten. I felt terrified and amazed by the scenery. I was a little bit worried because I thought something was going to be bad after match. I watched the match until the end. However, the thing I worried about didn't happen. Each supporter went outside the stadium peacefully.
