II. Reading Comprehension

Read the following text and then, click the best answer A, B, C, D, or E for each item!

PHILIPPINES ; At least nine people were killed and dozens were injured when the Philippines security forces clashed with dozens of slum dwellers who resisted the tearing down of their homes in the Northern Province, a police commander said Tuesday.

Raul Gonzales the police chief in the Northern Cordillera said that the soldier and police officers traded gunfire with dozens of people who are illegally occupying the private land in Kalinga Province.

" Or team was ambushed on their way to the community to be demolished," said Gonzales. He added that the security only defended themselves after the residents dug foxholes and opened fire with automatic rifles.

" Nine people were killed and dozens were wounded, including 10 police officers during almost 10 hours of fighting. We even had to evacuate some of our officers who needed surgery to get the bullets from their bodies." – Reuters
