INTRODUCTION

This page will feature detailed Competency Achievement Indicators, providing comprehensive insights into the mastery of specific skills and knowledge.

Time Allocation : 4 x 45 Minutes

Learning Outcomes

By the end of Phase E, learners use spoken, written and visual texts in English to communicate according to the situation, purpose and audience. Various text types such as narration, description, procedure, exposition, recount, report and authentic texts are the main references in learning English in this phase. Learners use English to express their wishes/feelings and discuss topics that are close to their daily lives or hot issues according to the age of the learners in this phase. They read written texts to learn something/get information.

Learning Objectives

After learning the materials in this chapter you are expected to be able to:

- Identify the context, main idea, and detailed information from a description text presented in multimedia form.
- Identify the explicit meaning of written descriptive text in multimedia form.
- Elaborate ideas and opinions with simple reasoning on descriptive text.

To stay on track and complete this worksheet correctly, please follow the instructions below.

INSTRUCTIONS

In this worksheet, you will find 2 parts!

Part 1 : Read & Understand

Part 2 : How Far Do You Understand?

In part 1, you will be given some supporting material related to the subject being studied. Please read and understand carefully! Note, do not hesitate to ask teacher and friends if you do not understand.

Furthermore, part 2 will consist of several exercises that will examine your understanding of the material you have learned. Before each exercise, you will find step-by-step guidance on how to complete the questions.

Scroll down to continue to the next activity after reading, understanding and completing each activity.

Students can return to "home" or the link provided by the teacher to continue the next exercise according to the title.

Make the stars look like
they're not shinin'... Her
hair, her hair, Falls perfectly
without her tryin'..."

Definition

A descriptive text is the text that focuses on describing the characteristics of a person, object, or location.

Purpose

The purpose of descriptive text is, of course, to provide information to the reader about its shape, characteristics, quantity and so on in detail.

The five senses

To write a good descriptive text, you need to describe what your senses recognize. Like, what can be seen, what can be heard around, what smells are in the room or environment, what things are felt when we are in the room.

Identification:

Simple Present Tense

Adjective

I live with my little family. My family has always been my closest friends. There are four people in my family. They are my parents, my younger sister, and myself. I am grateful to have them.

Description:

My mom is 49 years old. Her name is Evawati. Her nose is pointed, and she has lovely black eyes that fit an oval face. She has short, curly black hair. She always makes an effort to stay in shape, which is why she is still slim. She is very attractive, always well-dressed, and elegant.

Action Verb

Meanwhile, my father, Hendra, is 2 years older than my mother. He is 51 years old. In spite of his age, he has still black-haired, with several grey hairs. He also has oval face, sharp nose, and black eyes. He is quite tall, but a bit shorter than me. He's very hard-working. Besides that, he is working in a travel company. He can even make a dinner when my mother is outside. His cooking and his meals are always very tasty as well as my mothers.

Finally, my little sister, Sarah. She is 14 years old. She looks like my mother. She has long wavy hair, brown eyes, sharp nose, and oval face. She is definitely shorter than me. She is rather introverted. But she is very sensible, smart, and co-operative. Right now, she is studying at Junior High School in 8th grade. I want to be as smart as she is.

My parents and I speak Sundanese very well, because we have been living in Bandung for 5 years. I went to primary school there. Unfortunately, my sister was 3 years old when we were leaving to Jakarta, so she can't speak Sundanese. Now we are happily living in Jakarta.
