I only **slept** for three hours last night. At ten, we **heard** a cry from Mrs. Wayan's home. She is our next-door neighbour. She's 70 years old and very weak. She lives alone. We **went** there quickly, and we **found** her on the floor. She just **fell**. She **could** not move her hands and her legs. At 10.30, my parents and I **took** Mrs. Wayan to hospital. My father and I **sat** in the front seats. In the back seats, my mum was holding Mrs. Wayan. In the emergency room, a doctor **examined** her. Then he **said** Mrs. Wayan had to stay in the hospital. When she was already in the ward, we went home. It was 2 a.m.
