(Looove) Looove...

(Looove) Looooooooooooove...

Now let me start this, if home is where the heart is.
With her I feel at home even when we're apart it's,
Strange but I can feel her presence beside me.
So in a sense one could say that she guides me.
Now I'm remembering the first time I saw her.
Feeling this vibe, or whatever, let's say **(1)** _____ ,
But I never would have thought, see I never could
have known,
Outta one chance glance all this could have grown.
And that's the **(2)** _____ of it you see it grows and it's natural.
What can I say in every way we're compatible.
Talk is cheap at times we don't speak.
Cos we're engrossed in thoughts that are deep.
It's like two **(3)** _____ , two minds, two bodies, two souls.
Making one whole, now it's gotta be told.
That what we have is more than just physical.
Don't be so cynical, we got a spiritual love.

Chorus

Feels so natural. (*feels so natural*)
More than physical. (*more than physical*)
Spiritual love!
We got a... we got a...
Feels so natural. (*feels so natural*)
More than physical. (*more than physical*)
Spiritual love!
We got a...

We got a love I can trust let me tell you 'bout us.
Underline the word love and see it ain't about lust.
It's spiritual love oh, what a feeling!
Impossible to **(4)** _____ it, one can only treasure it.
Sort of like a legacy, maybe it's my destiny.
Maybe it's a test of me, to bring out the best in me.
Who knows, who cares, all I know is that there's,
a **(5)** _____ for everything and whatever fate may bring.

See I didn't plan this some don't understand this.
They try to play the role of thinking that's what a man is.
To me she's more than just a fashion (6) _____ .
And I'll protect her by any means necessary.
Two (7) _____ , two minds, two bodies, two souls.
Making one whole, now it's gotta be (8) _____ .
That what we have is more than just physical.
Don't be so cynical, we got a spiritual... love!
